ABOUT

Melodicr is a Sydney-based artist with over 15 years of experience in DJing and music production. Originally from Manchester (UK), he spent years performing at some of England's most iconic clubs and festivals, including Sankeys and The Syndicate. Since moving to Sydney in 2018, he has brought his deep connection to the underground music scene to Australia.

Previously known for producing uplifting trance, Adam rebranded as 'Melodicr' in 2022 after a creative hiatus, shifting his focus to the darker, textured realms of melodic house and techno. His sets are a seamless blend of melodic techno, trance, and progressive/afro house, skillfully adapted to crowds and event requirements, creating immersive and emotive journeys.

With recent releases on labels like Interplay Flow and Mondo Records, and support from industry heavyweights such as David Guetta and Andrew Rayel, Melodicr continues to captivate audiences with his hypnotic soundscapes and emotionally charged performances.
